To the Shareholders

Dear Sir or Madam,

DISCLOSEABLE TRANSACTION

**DISPOSAL OF EQUITY INTERESTS IN GUOTAI JUNAN SECURITIES CO. LTD.
AND GUOTAI JUNAN ASSET MANAGEMENT CO. LTD.**

INTRODUCTION

Reference is made to the discloseable transaction announcement published by the Company on 20 December 2007 on the Company's website and the website of the Hong Kong Stock Exchange.

LETTER FROM THE BOARD

In October 2007, the Company authorized Shanghai Xin Gong Lian Asset and Equity Agency Co. Ltd. (上海新工聯產權經紀有限公司) to, on its behalf, list the Guotai Junan Shares and the Guotai Management Shares on the Shanghai Equity Exchange for sale through an electronic bidding system, and to transfer the Shares to the winning bidder as confirmed by the Shanghai Equity Exchange. Guotai Junan and Guotai Management are not subsidiaries of the Company.

On 12 December 2007, pursuant to the Administrative Rules and the relevant regulations of the Shanghai Equity Exchange, Ping An Trust was confirmed as the winning bidder for the Shares.

On 19 December 2007, the Board of the Company considered and approved the relevant resolution in relation to the Transaction and the Equity Transaction Contracts signed by the Company on 12 December 2007 with Ping An Trust. The Transaction does not constitute a connected transaction under the Shanghai Listing Rules and the Hong Kong Listing Rules. The Company had not entered into any other transactions with Ping An Trust and its ultimate beneficial owner prior to the Transaction.

The purpose of this circular is to provide Shareholders with further information relating to the Transaction which constitutes a discloseable transaction for the Company under Chapter 14 of the Listing Rules.

THE EQUITY TRANSACTION CONTRACTS

In order to validly transfer the Shares to Ping An Trust, on 12 December 2007 the Company entered into the Equity Transaction Contracts with Ping An Trust and other relevant authorized agencies necessary for the purposes of effecting the Transaction. Pursuant to the Equity Transaction Contracts, the Company agreed to transfer the Shares to Ping An Trust at a total consideration of RMB175,000,000. The Equity Transaction Contracts will come into effect officially upon review and approval and issuance of the relevant transaction certificates by the Shanghai United Assets and Equity Exchange, and performance of the Equity Transaction Contracts will only take place upon the issuance of the relevant transaction certificates by the Shanghai Equity Exchange.

The Company is pleased to announce that the Shanghai Equity Exchange has reviewed and approved the Transaction and issued the relevant transaction certificates on 20 December 2007. As at the date of this circular, the Equity Transaction Contracts have come into full effect and the transfer of the Shares is being performed.

BASIC INFORMATION ABOUT THE TRANSACTION

The Transaction involved the transfer of the Guotai Junan Shares (representing 0.16% of the total shares of Guotai Junan) and the Guotai Management Shares (representing 0.16% of the total shares of Guotai Management), both owned by the Company.

On 18 August 1999, the former Guotai Securities Co. and the former Junan Securities Co. merged to form a company known as “Guotai Junan Securities Co., Ltd.” with a registered capital of RMB3,727,000,000. The Company then invested RMB7,660,000 to acquire 7,660,000 shares in

LETTER FROM THE BOARD

“Guotai Junan Securities Co., Ltd.”. In 2001, “Guotai Junan Securities Co., Ltd.” was divided into “Guotai Junan and “Guotai Management”. As a result, the Company’s 7,660,000 shares in Guotai Junan Securities Co., Ltd” were split up into the “Guotai Junan Shares and the “Guotai Management Shares”.

The Shares are not subject to any encumbrance, such as guarantees, charges, pledges or other limitations on transfer, and are not involved in any litigation, arbitration, judicial enforcement and other substantial disputes or proceedings.

CONSIDERATION

For the two financial years ended 31 December 2005 and 2006, the Company did not earn any dividends on the Shares. In addition, the Company did not record any other profit attributable to the Shares in its financial statements (whether prepared under PRC Accounting Rules and Regulations or IFRS) for the years ended 31 December 2005 and 2006, being the two financial years of the Company immediately prior to the Transaction. In accordance with the PRC Accounting Rules and Regulations, the Company recorded the Shares as long-term investment at the cost of acquisition as the initial cost of investment. Any dividends earned on the Shares would be recorded as investment income and would not affect the underlying value of the investment. As at 31 December 2006, the audited book value of the Guotai Junan Shares and the Guotai Management Shares was RMB7,084,300 and RMB575,700 respectively, giving a total value of RMB7,660,000.

Based on the asset appraisal reports, Zhong Feng Ping Bao Zi (2007) No. 050 中鋒評報字 (2007) 第 050 號資產評估報告書) and Zhong Feng Ping Bao Zi (2007) No. 051 中鋒評報字 (2007) 第 051 號資產評估報告書), which were prepared by Beijing Zhong Feng Asset Appraisal Co., Ltd (北京中鋒資產評估有限責任公司) (the “Valuer”), a company qualified to carry on securities business, the Guotai Junan Shares and the Guotai Management Shares were valued at RMB65,547,700 and RMB1,186,400, respectively, as at 31 December, 2006. The total value of the Shares was valued at RMB66,734,100.

By reference to the valuation results and to avoid transferring the Shares at a consideration lower than the value appraised by the Valuer, the Company set the base price for the auction process of the Shares at RMB75,000,000. Interested purchasers may bid for the Shares through the electronic bidding platform provided by the Shanghai Equity Exchange. The winning bidder must purchase both the Guotai Junan Shares and the Guotai Management Shares together. On 12 December 2007, the bidding process ended and Ping An Trust, the ultimate winning bidder, was confirmed as the transferee of the Shares for RMB175,000,000, of which the winning prices for the Guotai Junan Shares and the Guotai Management Shares were RMB173,813,600 and RMB1,186,400 respectively, giving an aggregate total consideration of RMB175,000,000. On 29 December 2007, Ping An Trust transferred the aforementioned total consideration for the Shares in a lump-sum payment to a bank account designated by the Company.

LETTER FROM THE BOARD

As a result of the completion of the Transaction, the Company recorded a net income of approximately RMB166,257,300 (before taxation) for the sale of the Shares to Ping An Trust, being the difference between the final consideration of RMB175,000,000 and the value of its initial investments in the Shares of RMB7,660,000 and the agency fees of approximately RMB1,082,700 (the amount of agency fees being paid is different from the figure disclosed in the discloseable transaction announcement dated 20 December 2007 as the agents gave the Company a discount for such fees later when the Company carried out its obligation under the Equity Transfer Contracts). The Company is therefore pleased to announce that it has realized a relatively substantial investment gain through the Transaction. The Company intends to apply the sales proceeds as general working capital in its daily operations.

REASONS FOR THE TRANSACTION

Investment is not the Company's core business at all times. Through this transaction, the Company has, on the one hand, disposed of certain non-core business assets, and on the other hand, the Company will realize a relatively substantial investment gain that will positively impact the Company's profit and loss accounts. To enhance the effectiveness of the Company's operational strategy, selling the Shares will be a benefit to the Company, which will bring in funding for the development of the Company's core business. Upon completion of the Transaction, the Company has no plan to make any new investments in the financial industry.

The Board of the Company believes that the terms of the Transaction are of normal commercial terms and are fair and reasonable and in the interests of the Company and the Shareholders as a whole.

EFFECT OF THE TRANSACTION

As a result of the completion of the Transaction, the Company gained a profit of approximately RMB166,257,300 (before taxation) for the sale of the Shares to Ping An Trust, being the difference between the final consideration of RMB175,000,000 and the value of its initial investments in the Shares of RMB7,660,000 and the agency fees of approximately RMB1,082,700, which has a positive impact on the Company's earnings.

As mentioned above, as the result of the Transaction, the Company has disposed of certain non-core business assets and realised a gain. The Transaction has therefore increased the Group's total assets at the amount of RMB166,257,300.

The Company does not expect the Transaction to have any impact on its liabilities.

Save as described above, the Transaction is not expected to have any material impact on earnings, assets and liabilities of the Group.

The Company is a highly integrated petrochemical enterprise which processes crude oil into synthetic fibres, resins, plastics, intermediate petrochemicals and petroleum products.
